## **Testimonials:**

### **Seeger Faughnan & Mendicino:**

*“The case involved some very complicated factual issues concerning the mechanical work. You and your team were able to sift through and make sense of the multitude of mechanical and performance problems, in short we would not been able to present the strong defense that we were able to articulate for jury without the assistance of you and your team!”*

### **Ernstrom & Drete LLP:**

*“ Your experience in the mechanical and commercial plumbing contracting field was an important addition to the surety’s team. Your practical knowledge of complex mechanical contracts was probably the most valuable in the assessment in the various stages of completion. ”*

### **Pipitone Enterprises:**

*“Because of the training seminar it allowed the staff to understand the impact of what is done in the field and how it can impact what happens in the office with contract work. Thank you for the wonderful class and remember Document Document Document!”*

### **McDonald Hopkins:**

*“It was a really proud moment to share you special enthusiasm and skills with my partners and associates. It is no wonder you have had such success assisting your clients organize their complicated facts and articulate a concise and persuasive position. ”*
